ASPIREON INTERNATIONAL FINISHING SCHOOL

THE ODYSSEY

October 7, 2026 | Aamby Valley City, Volume 1

NEWSLETTER

A legacy of learning

September overflowed with joy, vibrant events, and new learning! Through active inquiry, international-mindedness, and learner profile attributes, student leaders demonstrated remarkable agency. Their student-led initiatives continue shaping leaders for the future, while outstanding academic and co-curricular achievements made it a truly memorable month of growth.

Connecting Bridges

Middle Years Programme (MYP) students demonstrated outstanding leadership by organizing Teachers' Day, an MYP assembly, and a Karla Fort trek. Complementing these initiatives, experiential learning was enhanced through industrial visits to Parle-G and Maganlal Chikki facilities. The school also commemorated Hindi Diwas and expanded co-curriculars with after-school activities like horse riding and boating.

Community Outreach

The Aspireon students have been introduced to the service aspect of their curriculum and have begun developing various initiatives. They will soon commence writing their proposals and executing their projects to actively support the community.

Reminders

Homework and Assignments:
Please continue to check the Weekly Transaction Report for daily homework and any upcoming assignments. Consistent review and completion of assignments greatly contribute to your child's academic success.

21st OCTOBER 2026 - 1st Parent Teacher Meet
